### Prayer A morning prayer

*Father as you have caused the sun to rise brining daylight to my world. Thank you for bringing me into this day, for putting the breath of life in my lungs. I know that you have blessed me with sleep and rest and watched over me through the darkness of the night. Thank you for your care, concern and abounding love, a love that is constant and unwavering irrespective of my emotions.*

*Please cleanse me and fill me, may your Holy Spirit reign in me. I determine to set my mind on things above, that all I do today may be in spirit and truth in worship of you my God. May the name of Jesus be on my lips and may I be like him in every thought and action. Thank you that you have made full and adequate provision for me today even when I fail to appreciate to acknowledge that. Thank you that when I switch on the light it will work that when I turn on the tap drinking water flows. In all things you have made, for me full and adequate provision. In Jesus name I ask. AMEN*

### An evening prayer

*As the day draws to a conclusion and the sun sets in the west I want to declare your praise. Thank you for your presence with me and you abundant provision. I lift to you all the people who have crossed my path today and ask that you reveal Jesus to them that they may know him as saviour. I determine to forgive any who have offended me, to let go of any grudge, dislike or hatred and set my heart to not only forgive but to love them with the love you have shown to me.*

*Please forgive me my trespasses and cleanse me whiter than snow through the blood of Jesus my Saviour and Lord. May I have a peaceful and restful sleep. Guard me and watch over me through this night and bring me into a new day ready and willing to listen to you and respond with all my heart. In Jesus name I ask. AMEN*
